

VISIBILITY WORKSHOP I - WP3**“USE OF THE CLEARANCE OF IOHEXOL-DBS IN HUMANS”**

March 14, 2024,

Instituto de Tecnologías Biomédicas (ITB),

Faculty of Medicine –University of La Laguna.

8:00 – 8:45**Introduction to the plasma clearance of iohexol –*****Technical aspects (I).***

(Esteban Porrini – Coriolano Cruz Perera)

9: 15**Why using measured GFR in the clinical practice in 2024?**

(Esteban Porrini)

10:00**Iohexol-DBS: a simple approach to evaluate renal function.**

(Sergio Luis Lima)

11:00 Coffee Break**12:00*****Technical aspects (II)******(Coriolano Cruz Perera)***

13:00**Aspects of the measurement of iohexol-DBS by HPLC**

(Laura Díaz Martín)

13:30 Lunch**15:00****National Network of Laboratories of Renal Function – LFR****Cooperation and benefits**

(Esteban Porrini, Sergio Luis Lima, Laura Díaz Martín)
